

Unlock the Full Potential of Your RFID System

Complete stocktakes faster with our RFID loan equipment.

Our loan units are ideal for libraries undertaking a one-off stocktake or collection audit. Faster stocktakes, better collection accuracy, and confidence in your catalogue.

Why Choose a PSP Loan Unit?

- ✓ Save time
- ✓ Ready to use
- ✓ Optional reporting
- ✓ Expert support
- ✓ Discover missing & misplaced books
- ✓ Maximise your RFID investment

How It Works:

📦 Order 🚚 Receive 📶 Scan ↺ Return

We'll do the preparation - you simply scan your collection and return the equipment when you're finished.

Used by schools, colleges, universities and NHS libraries across the UK.

Available for HF & UHF systems

***"The whole loan and return process was super-easy and seamless!" -
Anne Nolan The Guernsey Institute***
